Albert J. Kim, MD, MACM, FACEP

Residency APD, Residency Recruitment Director, Education Fellowship Director

Washington University in St. Louis

ajkim@wustl.edu

Albert Kim is an Assistant Professor in the Department of Emergency Medicine (EM) at Washington University in Saint Louis (WUSTL). He also serves as an Assistant Residency Director and Director of Residency Recruitment for the EM Residency, and is the Fellowship Director for the EM Fellowship in Education Scholarship. He received his MD at the Northwestern University Feinberg School of Medicine, and completed his EM Residency at WUSTL. Following his Chief Residency year at WUSTL, he pursued a 2-year joint Ultrasound and Medical Education Fellowship and obtained his Master's Degree in Academic Medicine from the University of Southern California. He started the WUSTL EM Education Scholarship Fellowship and serves as the Fellowship Director. As a medical educator his interests include bedside teaching, Resident-as-Teacher, Diversity Equity & Inclusion, and career development. Outside of the hospital you will find him outdoors traveling with his wife (an Ultrasound Fellowship trained EM Physician), climbing, running, or lost in the wilderness.

Allison Woodall, MD

Program Director

Riverside Community Hospital

allison.woodall@hcahealthcare.com

After growing up in Southern California, I explored the midwest while attending The University of Toledo College of Medicine. My next adventure was in the Bluegrass State to join the University of Kentucky Emergency Medicine Residency. I then entered community practice in Indiana for several years prior to returning to California to work at Riverside Community Hospital. At RCH, I had the opportunity to join the faculty of our residency program and later become one of the Assistant Program Directors.

Amber Billet, MD, FACEP

Program Director

WellSpan New York Hospital

abillet5@wellspan.org

Amber Billet, MD FACEP is currently the program director at WellSpan York Hospital. Additionally she is the medical education fellowship director. She graduated from St. George's University, obtained residency and was a chief resident at Maimonides Medical Center. Dr. Billet areas of professional interest are resilience, remediation, intraining/board preparation, and faculty development.

Angela Cai, MD, MBA

EMRA President

president@emra.org

Angela G. Cai, MD, MBA is the current EMRA President. An NC native, she attended Duke for undergrad and UNC Chapel Hill for medical and business school. She graduated from SUNY Downstate/Kings County in 2021 and recently completed an Innovation Fellowship at US Acute Care Solutions. She recently joined faculty at University of Pennsylvania. Joining the EMRA Board as a PGY2 was the best decision she made in residency. She lives in Philadelphia with her husband and adorable 1 year old daughter.

Bo Burns, DO, MBA, MHA

Chair

University of Oklahoma School of Community Medicine

boyd-burns@ouhsc.edu

Dr. Burns is the Professor and George Kaiser Family Foundation Chair of Emergency Medicine at the University of Oklahoma School Of Community Medicine in Tulsa Oklahoma. He is one of the founding Faculty of this Department in 2007 and originally served as Clerkship Director then Program Director and now Chair within the Department. He is currently serving as the Secretary/Treasurer of CORD (Council of Emergency Medicine Residency Directors) Board of Directors and is actively involved with several professional associations. Over the past decade he has been involved in all aspects of medical education and teaching including mentoring, prehospital protocol development, basic and advanced EMS and HEMS instruction and medical direction. He and his wife with their three children have called the Tulsa area home since 2005.

David Jones, MD, MBS, MCR, FACEP

Emergency Medicine Residency Director

Oregon Health & Science University

jonesdav@ohsu.edu

David Jones MD did not think medical school was in the cards until he became an EMT during college. It sparked an interest in medicine that he successfully pursued through grad school and into medical school at the University of Pittsburgh. He stayed in Pittsburgh for residency before moving to Portland, OR where he was an education fellow, then an APD with the residency, and now PD for the past few years. He believes that residency is a time for exploration and exposure to the breadth of EM while still learning the fine art of emergency medicine.

Elise Lovell, MD, FACEP

Program Director

Advocate Christ Medical Center

elise.lovell@aah.org

Dr. Lovell graduated from the University of Wisconsin School of Medicine and Public Health, and completed her emergency medicine residency at the University of Cincinnati. She is the emergency medicine residency program director at Advocate Christ Medical Center (ACMC) and a Clinical Professor at the University of Illinois, Chicago. Dr. Lovell has served on the Council of Residency Directors in Emergency Medicine (CORD) Board of Directors, as a Co-Chair of the Coalition for Physician Accountability UME-GME Review Committee, and as Chair of the Organization of Program Director Associations (OPDA). She has received the CORD Impact Award, the Associate Program Director of the Year award from the national Emergency Medicine Residents' Association, and the Ally Award from the Society of Academic Emergency Medicine Academy for Diversity and Inclusion in Emergency Medicine.

Geoffrey Comp, DO

Assistant Program Director

Creighton University School of Medicine/Valleywise Health Medical Center (Phoenix) Emergency Medicine Residency

Dr. Geoffrey Comp completed medical school at KCU-COM in Kansas City, and emergency medicine residency at Doctors Hospital in Columbus, OH before returning back home to Arizona. He is currently an Associate Program Director for the Creighton University School of Medicine Emergency Medicine Residency Program at the Valleywise Health Medical Center in Phoenix, Arizona (Formerly Maricopa Medical Center). Dr. Comp participates as a leader, mentor, and advocate for wilderness medicine and EM medical education at various levels of education and training. His professional and research focus includes wilderness medicine, physician wellness, mentorship, as well as innovation in medical education. He is constantly seeking out opportunities to combine his interests through collaboration and personal outdoor exploration.

Jeanette Kurbedin, DO

Clerkship Director and Ultrasound Faculty

Maimonides

jkurbedi@nyit.edu

My name is Jeanette Kurbedin and I am the clerkship Director and ultrasound faculty at Maimonides medical center. My interests are in student mentorship and advising as well as DEI. I am involved with ASC-EM and have loved doing these panels in the past. Happy to do it again!

Jonathan Rose, MD, MBA
Program Director
Memorial Healthcare System
jonrose@mhs.net

A child actor, obviously I wasn't very good at it and so Emergency Medicine it is. Fortunately, rejection is the name of the game as an actor; I got used to a lot of it. I suspect this eased the blow of my rejection from all the medical schools to which I applied 25 years ago with the exception of Ross U and so there I went and now here I am. I was in the very first class of a brand new EM residency program in Brooklyn, NY. I served as Chief Resident and ultimately remained as faculty. 3 years later I was asked to be an APD and 1 year later the PD. I was PD for 4 years and then recruited to serve as the Chairperson for another ED in Brooklyn, NY. While I was there I received my MBA and applied for and ultimately received accreditation of a brand new EM residency program; for which, I was its PD. For personal reasons I left my Chairperson/PD position for a full time clinical position on Long Island. Shortly thereafter, I was recruited to S FL to lead an initiative aimed at starting a brand new EM residency program and now here I am in sunny S FL, once again serving as a founding PD for a brand new EM residency program that just now welcomed its 2nd class.

Kelsey Morgan, MS4, RN-BSN, CEN, PMHN
EMRA Chair of the Medical Student Council
4th Year Medical Student at the University of Mississippi
msc@emra.org

Kelsey Morgan graduated from the University of Mary-Hardin Baylor with a Bachelor's of Nursing and worked as an emergency department nurse for six years. She is currently enrolled at the University of Mississippi School of Medicine, where she serves in multiple leadership roles, including Student Representative to the Clinical Education Curriculum Committee, President of the Gold Humanism Honors Society, and the Internal Operations Co-Director of the Jackson Free Clinic. She also currently serves on the EMRA Board of Directors as the Chair of the Medical Student Council. She has a passion for medical education, health policy, and critical care.

Layla Abubshait, MD
Assistant Program Director
Albert Einstein Medical Center, Montgomery

Layla Abubshait graduated from medical school in Saudi Arabia, she later trained in Michigan for her EM residency, followed by a medical education fellowship at Harvard, she served as a medical student clerkship director at Albert Einstein Medical Center Now she serves as an associate PD at Einstein Medical Center. She has a niche in medical education and mentorship, especially FMG and IMG appli-

cants . She also is an editor at ALiEM with multiple posts and publications.

Maggie Moran, MD

EMRA Director of Health Policy

maggie.m.armstrong@gmail.com

I attended Southern Illinois University School of Medicine prior to completing Emergency Medicine residency at the San Antonio Uniformed Services Health Education Consortium in San Antonio, TX. I am now completing a fellowship in Neurocritical Care at UT Health San Antonio, also in San Antonio, TX. I currently serve as the Director of Health Policy for the Emergency Medicine Residents' Association.

Matthew Stull, MD

Residency Director

University Hospitals-Cleveland Medical Center/Case Western Reserve University

matthew.stull@uhhospitals.org

Dr. Matt Stull is the EM Residency Director at University Hospitals-Cleveland Medical Center/Case Western Reserve University. In addition to his role as program director he is fellowship trained in critical care and medical education and continues to practice as an EM-Intensivist in the Cardiothoracic ICU. He also serves the Department of Emergency Medicine as Division Director of Resuscitation & Critical Care and Fellowship Director of the Medical Education & Academic Leadership Program.

Meredith Thompson, MD, FACEP

Director of Undergraduate Medical Education, Clerkship Director

University of Florida

monin@ufl.edu

Dr. Meredith Thompson (she/her) is a core residency faculty member and the emergency medicine clerkship director at the University of Florida Department of Emergency Medicine in Gainesville Florida. She grew up in Panama City, Florida and left the beautiful beaches to study at the University of Florida (Go Gators!) for her bachelor's degree. She completed her medical training at the University of Virginia where she continued her residency education in emergency medicine and served as chief resident. She also completed a fellowship in medical education while there. Dr. Thompson's professional interests include medical education, simulation, and trainee wellbeing. When not at work she enjoys binge watching anything on Bravo, trying new restaurants, and being a total dance mom with her young daughter.

EMRA Fall 2022 Medical Student Forum Presenters

Michael Galuska, MD, FACEP
Program Director / Clerkship Director
Conemaugh Memorial Medical Center
mgaluska@conemaugh.org

Dr. Michael Galuska is the Program Director and Student Clerkship Director for Conemaugh Memorial Medical Center's Emergency Medicine Residency Program. Dr. Galuska is a graduate of the Penn State University College of Medicine and completed his residency at the York Hospital Emergency Medicine Residency program where he served as chief resident. He is a veteran of the United States Navy Medical Corps and deployed in support of Operation Iraqi Freedom in 2009. During his service time, he was awarded both the Navy and Marine Corps Achievement and Commendation Medals. Dr. Galuska is a member of the PACEP Wellness and Education Committees as well as the Council of Residency Directors Advising Students in EM Committee.

Molly Estes, MD, FACEP, FAAEM
Clerkship Director, MedEd Fellowship Director, Assistant Professor
Loma Linda University
mestes@llu.edu

Molly Estes completed her residency at the Stanford/Kaiser EM Program, and her fellowship in Medical Education also at Stanford. She currently works as an Assistant Professor and academic faculty at Loma Linda University and is the Emergency Medicine Student Clerkship Director as well as the Medical Education Fellowship Director. She is the recipient of the AAEM Young Educator's Award and the AAEM Women in Emergency Medicine Young Leader Award. She has a passion for teaching, and her current research involves curriculum design in education.

Robert Jones, DO, FACEP
Assistant Dean for Clerkship Education, System-Wide POCUS Co-Chair
MetroHealth Medical Center
rjones@metrohealth.org

I have been involved in academic emergency medicine for 31 years. I am a Professor of Emergency Medicine at Case Western Reserve University SOM. My initial career focus was (and still is) POCUS. I have served as ACEP Ultrasound Section Chair and have published numerous research articles and textbook chapters on POCUS. I am currently an Assistant Dean for Clerkship Education at Case and also the EMIG faculty sponsor. I received the Kaiser Permanente Excellence in Teaching Award at Case in 2020.
