

The image features a background of an ECG (heart rate) tracing on a grid. A large, semi-transparent yellow circle with a sad face emoji (😞) is centered over the ECG. The ECG leads are labeled: I, aVR, V1, V4, aVL, V2, V5, aVF, V3, and V6. The text "Get better soon..." is written in a large, black, cursive font across the middle of the image, partially overlapping the sad face emoji.

Get better soon...

Because your performance is so disappointing it's giving me
catecholamine cardiotoxicity with transient apical ballooning.
