

The background of the card is a red grid with a black ECG line. A large, semi-transparent image of a beetle carrying a log on its back is centered behind the text. The ECG line is labeled with leads: aVR, V1, V4, aVL, V2, V5, aVF, V3, and V6. The text 'Congratulations on Graduating Residency!' is written in a large, black, cursive font across the top half of the grid.

Congratulations on Graduating Residency!

You never let anything block your progress
and now you're ready to be on your own.
